State Reclamation Engineer  
Department of Reclamation  
Statehouse - Annex 2

Dear Keith:

In connection with my examination into the water rights on Indian Creek in the Mayfield area in Elmore County, I need also to know the water rights, as shown by your records, on Slater Creek, a tributary of Indian Creek.

I have the information which you sent to me with respect to Indian Creek, and I realize that it may be that there are no rights on Slater Creek shown by your records other than in the information which you sent to me.

However, I do know of certain water uses there, one use by Ante Koprčina and his successor in interest, Oliver Lord, and one use by Claude Slater, and one use by Harry Wiebelhaus.

Will you please let me know from your records of any outstanding water licenses or any uncanceled filings or any decrees specifically with respect to Slater Creek.

Yours very truly,

ANDERSON, KAUFMAN, ANDERSON  
AND RINGERT
